Yes, it is a section 3 but limited to TX and FL (aldicarb has a lot of state restrictions for its uses).

This is a Section 3 right? Not an SLN? Also, can you or Karen send me the proposed label, just so I have all the info?

Thanks,

Michael

Hi Michael,

I've attached the briefing slides that we gave the AA a couple of weeks ago. You will find a slide on eco risks. I've also attached the DRA (done in 2015) and the ID that was completed in 2017.

From my perspective, I was thinking that Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 DP Having a draft for RD ready this week is our target.
